### **Venue Info**

- The best places to park are Burnett Street which is next to the venue or the Leisure Exchange which is just a short walk. They are shaded and signposted on the 2<sup>nd</sup> map. Burnett Street is usually full by 9am latest so we would recommend the Leisure Exchange after this time.
- Refreshments are provided for the whole day. Lunch **will not** be provided but there are a couple of local sandwich shops and a bar serving food on the doorstep. There is also a lovely area within the venue where people can sit to have their lunch.
